meets requirements of the following technical specifications:

Acta hygienica, epidemiologica and microbiologica No. 3/2000, Methodical recommendation of the State Testing Institute No. 1/2000 on assessment of products coming into a direct contact with human organism via skin or mucous membranes

Institute for testing and certification, a.s. has successfully applied Certification Scheme 1a of ČSN EN ISO/IEC 17067:2014 in accordance with relevant parts of the documents above. The Certificate has been issued based on the product description, the related documentation and results of the evaluation as stated in the Final Report No. 313300931/2020.

Terms of use of the certificate and related information:

1. The certificate relates only to the above referenced model(s) of the product.
2. It does not imply that Institute for testing and certification, a.s. has performed any surveillance or control of the manufacturing process.
3. It is the responsibility of the certificate holder to ensure the conformity of all products of the model with the type assessed through this certificate.
4. The certificate remains valid until the manufacturing conditions or requirements of the relevant documents are changed, but no longer than to the date of validity.
5. The certificate holder shall inform Institute for testing and certification, a.s. about all essential changes in the production or materials of the certified product(s) which might affect the product conformity.
6. The certificate holder shall follow the Rules for Certificate Use accessible at: www.itczlin.cz.

Date of issue: 31. 03. 2020
Valid until: 30. 03. 2023

Ing. Dušan Shejbal, Ph.D.
Deputy Director of Certification Division
